

# STEEL PICKET FENCE

## INTRODUCING OUR NEW ORNAMENTAL FENCING SYSTEMS

- Available in many configurations – straight and curved sections
- Easy “do it yourself” installation
- Shipped unassembled (This allows for economy in shipping)
- Easy to customize to any configuration
- All components manufactured with powder coated, pre-galvanized steel
- Manufactured in our own Canadian facility

**OutFront Portable Solutions has a long history of producing long lasting fence systems**

**Please contact our sales department with any suggestions or requests**
